$18.50

USE GLUE OR WATER

WORLD'S LARGEST SELLING #525 JEWEL LIFETIME MOISTENER

Used exclusively by U.S. Gov't. for years. Anodized rustproof cover. Solid rustproof zinc unbreakable base. Pure bristle brush with stainless steel ferrule. Wets envelopes, stamps, labels, by capillary action. Lifetime satisfaction.

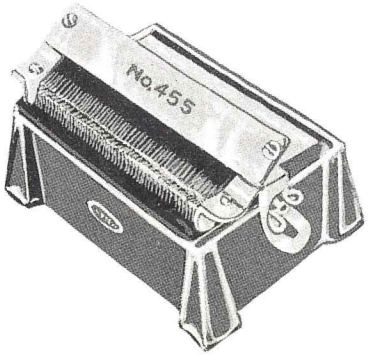
#525-3″ Wide Brush $4.25

#450-1½″ Wide Brush $3.95

TWO-SIDE GUM LABELERS

Special model moistener with upper and lower brushes which wet both sides of a label which has glue on both sides.

Used by Dept. Stores to paste sales tickets or packing lists on packages after first pasting strip with glue on both sides onto carton — then sticking bill on top side of glue strip. Avoids use of sloppy glue pots.



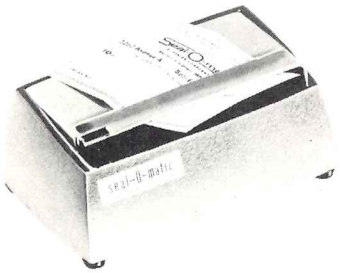
#455-4″ $9.50

#655-6″ $14.95

LABELMASTER (Wide Models)

These moisteners feature an attractive stainless steel top and durable gold finish. Built to last because of aluminum rust-proof tank. Pure bristle brushes. Precision crossbar provides perfect contact with brush and label for even, thorough coverage of the gummed surface.

(The small clip on right of crossbar is used as guide for easy moistening of envelope flaps.)



#49-4″ $8.95

#69-6″ $13.50

#89-8″ $22.95

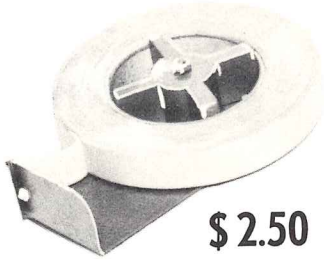
#38 CELLO - WALL or CLIP ON DISPENSER

Unique low cost all metal dispenser for all pressure sensitive tapes up to 1″ in diameter with 3″ center hole.



$2.50

Snaps onto side of most gum tape machines or can be screwed on wall, drafting table or bench top.

#100 "GUMTITE PILLS"

Makes tape stick like flypaper.

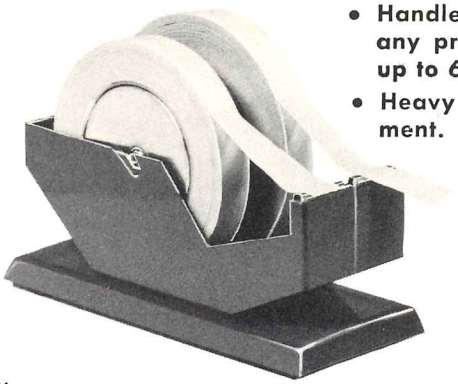
MAKES 100 ECONOMICAL GALLONS OF TAPE SOLVENT SOLUTION.

Special chemical formula. Add 1 pill to tank of tape machine. Makes tape stick faster and tighter. Germicide in pill kills bacteria in water and prevents odors in tank of machine.

Speeds up package sealing by eliminating need for excessive rubbing to get tape to stick. Ideal for areas that have hard water, dusty condition, or are cold.

Bottle of 100 $3.50

MULTIPLE ROLL CELLO DISPENSERS



- Handles multiple 1″ rolls of any pressure sensitive tape up to 6″ O.D.
